CERTIFICATE OF CONFORMANCE

The product defined herein has been manufactured and inspected in conformance with contractual requirements, drawing(s) and specification(s) noted. All dimensional, mechanical and metallurgical tests were conducted in accordance with, and conform to, the requirements of the applicable drawing(s) and specification(s). All required processing, chemical and physical test reports are on file and subject to examination.

Alloy verification has been performed on metallic raw materials associated with this product as required. The product was produced under a system ensuring that it is mercury free, is not susceptible to counterfeit parts or exposure to foreign object damage/debris.

This certification shall not be reproduced except in full, without the written approval of AFSR. Any alteration to: 1) this certificate, 2) any supporting certifications, or 3) the parts covered by this certificate voids this certification and any affirmations related to the parts made by AFSR. The recording of false, fictitious or fraudulent statements or entries on this certificate may be punished as a felony under federal law.

This certifies that the above part number was tested in accordance with the quality conformance test proposal for Quarter Turn Panel Fasteners agreed upon by Boeing Corporation and Camloc Products. A sample from the lot was selected at random per MIL-STD-105, Inspection Level S-2, with an AQL of 1.0 percent. The test results for locking torque and unlocking torque are in conformance with Camloc Products design specifications. Tests for stud hardness are in conformance with paragraph 3.5.11 of MIL-F-5591 for alloy steel. Hardness for stud materials other than alloy steels are in conformance with table II of MIL-F-5591, which are in conformance with Camloc Products design specification. Tests for stud materials other than ally steel are in conformance with Camloc Products design specifications. These reports are on file and available for review.

Quality Assurance

The test report shall not be reproduced except in full, without the written approval of the laboratory; and the recording of false, fictitious, or fraudulent statements or entries on the certificate may be punished as a felony under federal law.
